MOTIVATION PART

Please consider the following points:

1. *Your motivation for IW Cologne*
2. *Describe yourself*
3. *Why do you think you are the perfect fit for IWC '18?*

This part is the most important one for our selection process. Please take your time filling this part in. You can either write down your motivation (min. 250 words) or send us a video (approximately 1 minute). Sending us a video may increase your chance of being selected by the Cologne Committee. The video can be uploaded and shared with us via a link. You may also be creative in the way you present yourself in the video.

By sending this application form I herewith declare that I have read and accept the [privacy policy](#) of IW Cologne.
